

VOLUNTEER POSITIONS

GUEST RELATIONS

Greet visitors, sell tickets, answer phone calls and questions about the birds and the center.

Shifts are Tues-Sun 10am-2pm or 1pm-4pm.

EDUCATION GUIDE/DOCENT

Guides deliver interpretive stations around property. Docents deliver tours to guests.

Shifts are every other week or as-needed.

CLEANER

Thoroughly clean enclosures, ponds, and perching. May assist with special projects. Requires physical labor.

Shifts are weekly 8:30am-12:30pm.

FEEDERS

Prepare food and feed our residents. Must be comfortable handling dead mice, rats, fish, chicks, and live insects.

Shifts are weekly 2pm-5pm.

ENRICHMENT

Create cognitive, sensory, social, food, and habitat enrichment for physical and mental well-being.

Shifts are weekly 8:30am-12:30pm.

CLINIC ASSISTANT

This is an advanced placement that you may be considered for after a period of time.

Shifts are weekly.

OTHER

We could always use help with gardening, maintenance, special projects, and general cleaning of the historic Audubon House and grounds.
